## Article I. Purpose

- A. Purpose: The purpose of this Intergovernmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the provision of the necessary physical structure, equipment, facilities, personnel, and services to provide a program of care in a properly staffed and secure environment under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are “Administrative Detainees”. This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.
- B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Service Provider shall provide all personnel, management, equipment, supplies, and services necessary for performance of all aspects of the Agreement and ensure that the safekeeping, housing, subsistence, medical, and other program services provided to ICE detainees housed in the facility is consistent with ICE’s civil detention authority, the PWS, IGSA requirements and ICE standards referenced in this agreement. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I, C.
- C. Rates: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the bed day rate for 165 detainees. ICE shall be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the bed day rate.

## Article II. General

- A. Commencement of Services: ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been identified, funding has been identified and made available, and the Facility meets ICE requirements, and is in compliance with National Detention Standards. Therefore, ICE may perform numerous assessments to ensure compliance prior to presenting detainees for housing.
- B. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this

Agreement when specific requirements have been identified and funding obligated. Performance under this Agreement is not authorized until the Contracting Officer issues an order in writing. The effective date of the Services will be negotiated and specified in a delivery order to this Agreement. The Service Provider shall be prepared to accept detainees immediately upon issuance of task order in accordance with the agreed upon ramp-up plan.

- C. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer if it intends to house ICE detainees in a facility other than the RCCC. If either the facility or any future facility is operated by an entity other than the Service Provider, ICE will treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer's approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to a subcontractor. Subcontractors that perform under this agreement are subject to the terms and conditions of this IGSA.
- D. Consistent with Law: This is a firm fixed rate agreement, not a cost reimbursable agreement. This Agreement is permitted under applicable statutes, regulation, policies or judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

### **Article III. Covered Services**

- A. Bedspace: The Service Provider shall provide approximately 165 adult male/female beds. The Service Provider shall house all detainees as determined within the Service Provider's classification system. ICE will be financially liable only for the actual bed days as defined in Paragraph C of Article III.
- B. Basic Needs: The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures. The types and levels of services shall be consistent with those the Service Provider routinely affords other inmates. If the Service Provider determines that ICE has delivered a person for custody who is under the age of eighteen (18), the Service Provider shall not house that person with adult detainees and shall immediately notify the ICE COR or designated ICE official. ICE will use its best efforts to remove the juvenile within twenty-four (24) hours.

C. Unit of Service and Financial Liability: The unit of service is called a “bed day” and is defined as one person per day. The bed day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such unallowable costs include but are not limited to:

- 1) Salaries of elected officials
- 2) Salaries of employees not directly engaged in the housing and detention of detainees
- 3) Indirect costs in which a percentage of all local government costs are pro-rated and applied to individual departments unless those cost are allocated under an approved Cost Allocation Plan

- 5) Operating costs of facilities not utilized by Federal detainees
- 6) Interest on borrowing (however represented), bond discounts, costs of financing/refinancing, except as prescribed by OMB Circular A-87.
- 7) Legal or professional fees (specifically legal expenses for prosecution of claims against the Federal Government, legal expenses of individual detainees or inmates)
- 8) Contingencies

The Parties agree to base the cost of the bed day rate and all services provided on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards

D. Interpretive/Translation Services: The Service Provider shall make special provisions for non-English speaking, handicapped or illiterate detainees. Upon request, ICE will assist the Service Provider in obtaining translation services through a toll free line. The Service Provider shall provide all instructions verbally, either in English or the detainees’ language, as appropriate, to detainees who cannot read.

E. Escort and Transportation Services: The Service Provider will provide, upon request and as scheduled by ICE, necessary escort and transportation services for ICE detainees to and from designated locations. Escort services may be required for escorting detainees to court hearings; escorting witnesses to the courtroom and staged with the ICE Judge during administrative proceedings. Transportation Services shall be performed by at least (b)(7)(E) law enforcement or correctional officer personnel employed by the Service Provider under their policies, procedures and authorities.

ICE will furnish the Service Provider with reasonable notice of receiving and discharging detainees. The Service Provider shall ensure positive identification and recording of detainees and ICE officers. The Service Provider shall not permit medical or emergency discharges except through coordination with on-duty ICE officers.
  
- B. Emergency Situations: ICE detainees shall not be released from the facility into the custody of other Federal, state, or local officials for any reason, except for medical or emergency situations, without express authorization of ICE.

If an ICE detainee is sought for federal, state, or local proceedings, only ICE may authorize release of the detainee for such purposes. The Service Provider shall contact the ICE COR or designated ICE official immediately regarding any such requests.
  
- D. Safe Release: The time, point and manner of release from a facility shall be consistent with safety considerations and shall take into account special vulnerabilities. Facilities that are not within a reasonable walking distance of, or that are more than one mile from, public transportation shall transport detainees to local bus/train/subway stations prior to the time the last bus/train leaves such stations for the day. If public transportation is within walking distance of the detention facility, detainees shall be provided with an information sheet that gives directions to and describes the types of transportation services available. However, facilities must provide transportation for any detainee who is not reasonably able to walk to public transportation due to age, disability, illness, mental health or other vulnerability, or as a result of weather or other environmental conditions at the time of release that may endanger the health or safety of the detainee. Upon release, detainees shall also be provided with a list of shelter services available in the immediate area along with directions to each shelter. Prior to their release, detainees shall be given the opportunity to make a free phone call to a friend or relative to arrange for pick up from the facility. As practicable, detainees shall be provided with a laundered set of their own clothing, or one set of non-institutional clothing and footwear, weather appropriate, for their final destination.

- E. Service Provider Right of Refusal: The Service Provider retains the right to refuse acceptance of any detainee if such refusal is supported by a valid justification and agreed to by the COR. Examples of such justification are: any detainee exhibiting violent or disruptive behavior, or any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider's health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.
- F. Emergency Evacuation: In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider's authority. The Service Provider shall notify the ICE COR or designated ICE official within two (2) hours of evacuation.

#### **Article V. DHS/ICE National Detention Standards**

- A. The Service Provider shall house detainees and perform related detention services in accordance with the most current edition of **ICE National Detention Standards**. The complete set of standards applicable to this procurement is available from the following website: <http://www.ice.gov/detention-standards/2000/> and are incorporated herein. ICE Inspectors will conduct periodic inspections of the facility to assure compliance with these ICE National Detention Standards.
- B. If a change in the standards identified herein results in a documentable financial impact to the Service Provider, the Service Provider must notify the Contracting Officer within five (5) days of receipt of the change and request either 1) a waiver to the Standards or, 2) negotiate a change in per diem.
- C. The Service provider shall also comply with the American Correctional Association (ACA) Standards for Adult Local Detention Facilities (ALDF), and Standards Supplement, Standards for Health Services in Jails, National Commission on Correctional Health Care (NCCHC). In order to prevent the spread of airborne infectious disease or cross contamination of zones within the facility, the HVAC system in the intake screening area will be designed to exhaust to the exterior and prevent air exchange between the intake screening area and any other area within the facility. (CDC guidelines <http://www.cdc.gov/tb/publications/guidelines/Correctional.htm>)

#### R. Tuberculosis Screening

In order to prevent the transmission of TB to the resident population of a detention facility, the Service Provider will perform a TB screening as part of the routine intake screening within 12 hours of detainee admission and identify suspected TB disease before the detainee is assigned to a housing unit or is transferred from the intake processing area. Any chest x-ray screening will be performed by a trained and qualified health care provider and interpreted by a credentialed radiologist. Detainees will remain isolated from the rest of the facility population (remain in the intake screening area) until the chest x-ray report is obtained and the interpretation verifies that the detainee is free of contagious TB. The turnaround time for chest x-ray interpretation should be four hours or less. Detainees who are identified with confirmed or suspected active TB will be assigned to an airborne infection isolation room and managed in accordance with the PBNDS and CDC guidelines. There will be a process in

place for detainees who refuse the screening assessment for TB. This process should comply with guidelines established by other nationally known detention facilities or the CDC.

The cost of the equipment, maintenance of the equipment, training of staff, and arrangements for interpretation of the x-rays by credentialed radiologists, and transmission of data to and from the detention facility are provided by the ITSP and charged directly to ICE. The Service Provider shall coordinate with the ITSP to ensure adequate space is provided for the equipment, connectivity and electrical services are installed, immediate 24/7 access to equipment for service and maintenance by ITSP technicians is granted, a tele-radiology coordinator is appointed and available for training by the ITSP, and medical staff is available to perform the screening exams and receive reports. Should the COTR determine that the Contractor is not complying with the security requirements of this contract the Contractor will be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with such requirements.

#### **Article VIII. Period of Performance**

This Agreement becomes effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of the Service Provider and will remain in effect for a period not to exceed 60 months unless extended by bi-lateral modification or terminated in writing by either party. Either party must provide written notice of intention to terminate the agreement, 120 days in advance of the effective date of formal termination, or the Parties may agree to a shorter period under the procedures prescribed in Article 11. If this Agreement is terminated by either party under this Article, ICE will be under no financial obligation for any costs after the date of termination. The Service Provider will only be paid for services provided to ICE up to and including the day of termination.

#### **Article IX. Inspections, Audit, Surveys, and Tours**

The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.
- B. ICE will not house detainees in any facility that has received two consecutive overall ratings of less than acceptable. Upon notice that the second overall rating is less than acceptable, ICE will remove all detainees from the Facility within

seven (7) calendar days. Any minimum guarantee stated elsewhere in this Agreement is no longer applicable if detainees are removed as a result of two overall ratings less than acceptable. No further funds will be obligated and no further payments will be made.

- C. Possible Termination: If the Service Provider, after being afforded reasonable time to comply, fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to any other provisions in this Agreement.
- D. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources. The Service Provider shall cooperate fully with the Detention Service Manager (DSM).
- E. This right of access includes, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in the Service Provider's custody; provided, however that access to medical and mental health record information be provided in accordance with Article VI. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody. This right of access specifically applies to all inspections and other Facility reports.

## **Article X. Modifications and Disputes**

- A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will become a part of this Agreement only after the ICE Contracting Officer has approved the modification in writing.
- B. Change Orders.
  - (1) The Contracting Officer may at any time, by written order, and without notice to the Service Provider, make changes within the general scope of this Agreement in any one or more of the following:
    - (a) Description of services to be performed, including revisions to the applicable detention standards.
    - (b) Place of performance of the services.
  - (2) If any such change causes an increase or decrease in the cost of the services under the Agreement, the Contracting Officer will make an equitable adjustment in the agreement price and modify the Agreement accordingly.

(3) The Service provider must assert its right to an adjustment under this Article within 30 days from the date of receipt of the written order including a proposal addressing the cost impacts and detailed supporting data.

(4) If the Service Provider's proposal includes costs that are determined unreasonable and/or unsupportable, as determined by the Contracting Officer, the Contracting Officer shall disallow those costs when determining a revised rate, if any.

(5) Failure to agree to any adjustment shall be a dispute under the Disputes section of the Agreement. However, nothing in this Article shall excuse the Service Provider from proceeding with the Agreement as changed.

- C. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes shall be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

## **Article XII. Adjusting the Bed Day Rate**

ICE will reimburse the Service Provider at the fixed detainee bed day rate shown on in Article I Paragraph C. The Service Provider may request a rate adjustment no less than thirty-six (36) months after the effective date of the Agreement unless required by law (see Article 19). After thirty-six (36) months, the Service Provider may request a rate by accessing the link at <https://edes.usdoj.gov/igaice/> for access to the ICE Automated Intergovernmental Agreement (eIGA) System for instructions on preparing the Jail Operating Expense Information Form. There is a Facility Guide available on the website to assist you. The Parties agree to base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official request for a bed day rate adjustment that is supported by the information submitted through the eIGA System, the fixed bed day rate as stated in this Agreement will be in place indefinitely. ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As the bed day rate is fixed, there are no retroactive adjustment(s).

(A) The understated data were known by the Service Provider to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the "as of" date specified on its Certificate of Current Cost or Pricing Data.

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

This right to a price reduction is limited to that resulting from defects in data relating to modifications for which this clause becomes operative under paragraph (a) of this clause.

(c) Any reduction in the IGSA price under paragraph (b) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(d)

(1) If the Contracting Officer determines under paragraph (b) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Service Provider or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The IGSA was based on an agreement about the total cost of the IGSA and there was no agreement about the cost of each item procured under the IGSA.

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and
